

TUME LASER PTY LTD WARRANTY

Two Year Warranty: Tume Laser Pty Ltd will warrant these **Clini-Lase** systems against defects in manufacture for a period of two years from the date of purchase, subject to the following conditions.

12 Month Warranty: The warranty on the external Handpiece lead, Laser Diodes, Power cable, Battery charger and Safety Glasses is limited to period of twelve months from the date of purchase.

Circumstances in which Warranty is voided:

This Warranty is immediately voided if any part of the Main unit or Handpiece is adjusted, tampered with, or serviced by anyone other than Tume or its authorised service agents. The opening of the main unit or the Handpiece shall be deemed to be tampering.

This Warranty does not apply in the event of any breakage or failure, which in the opinion of Tume or its authorised agents is as a result of misuse or abuse of any part of the unit or any reason not directly attributed to a fault in manufacture.

Abuse of the unit (without limitation) includes:

- Operation not in accordance with the manual.
- Dropping or other accidental damage, including transportation.
- Immersion in liquid.
- Failure to comply with any published Standards.
- Use with incorrect power supply.
- Storing or operating the unit in any unusual circumstances.
- Altering any identification marks.

Unusual circumstances (without limitation) means in temperatures of below 5 degrees C or above 45 degrees C, a damp environment, or an environment subject to strong electro-magnetic forces or radiation.

Warranty Claims: In the event of failure the purchaser is responsible for all costs of transport and insurance, and must supply a full written report as to the failure nature, and the circumstances in which the failure occurred.

Consequential Loss: The Warranty does not extend to any consequential or indirect loss, damage or injury.

Tume Laser will not be under any liability to you whether under this Warranty, the contract for the purchase by you of the unit, or otherwise, in respect of any loss or damage however caused, which may be suffered or incurred or which arise directly or indirectly in respect of the unit or any defect in the unit.

The purchaser is referred to the disclaimer in this Manual and the terms of this are incorporated into this Warranty.

The Warranty is personal to the original purchaser.

Trade Practices Act: Nothing in this Warranty shall negate, exclude, modify, limit, or restrict any rights (including any implied conditions or warranties) which are conferred on the purchaser by any Act of Parliament to any extent, if any, to which it is unlawful to negative, exclude, modify, limit, or restrict those rights.

No one (including Tume Laser Pty Ltd, agents or distributors) is authorised to expand, alter, or otherwise modify this warranty.
